

SAVE LIVES IN SUDBURY: SPONSORSHIP

The Spot Sudbury Supervised
Consumption Site

Dear Supporters of a Safe and Healthy Sudbury,

We need your help to keep a vital lifeline open for our community. The Spot Supervised Consumption Site (SCS) in Sudbury provides crucial wraparound services for people who use drugs and those who are most vulnerable. These services may include harm reduction, healthcare, wound care, case management, connections to housing and shelter supports, brief counseling, STBBI screening, and linkage to community and cultural services. The Spot has reversed over 20 overdoses and has had over a thousand visits, making a significant impact on the health and well-being of our community.

The Spot is facing a critical funding gap due to the provincial government's pause on funding any pending applications. After waiting more than 2 years we urgently need to raise \$75,000 a month to support wraparound services and save lives until the provincial government steps up and support health equity in the North.

Thanks to funding provided by

We are proud to announce that **Vale Base Metals** has generously stepped up to sponsor one month of services at The Spot, showing their commitment to the well-being of our community. In addition, Sudbury and District Public Health, the Chief of Police, CMHA, BIA, NOSM, and many others have given letters of support, recognizing the vital role that The Spot plays in our community.

We invite you to visit www.savethespot.ca/media to see all the letters of support and to find pages of evidence-based references showcasing the benefits of supervised consumption sites.

Please consider making a donation today to help us reach our goal and ensure that The Spot can continue its life-saving work. Every dollar counts and brings us closer to securing the future of this vital service.

Visit www.savethespot.ca to contribute and learn more about how you can support The Spot.

Thank you for your generosity and for standing with us to save lives in Sudbury.

Sincerely,

Heidi Eisenhauer
